

Pałac Poraj

FLAVOURS OF POMERANIA, THE FORESTS AND THE PALACE PANTRY

In the very heart of Pomerania, amid old trees and tall grasses, lies an intimate restaurant.

Our cuisine tells the story of the coast, forests and gardens.

We create a concise seasonal menu based on local produce and traditional recipes.

We take our time, cooking in harmony with nature.

We bake our own bread.

We make pierogi and the finest dumplings by hand.

We create cocktails and herbal infusions from our own recipes.

We believe the best dishes need only a few ingredients.

FROM THE PALACE KITCHEN, WE SERVE:
